

Adult Supports

[Autism Housing Pathways](#) - Autism Housing Pathways (AHP) was created to provide information, support and resources for families who seek to create secure, supported housing for their adult children with disabilities. Autism Housing Pathways seeks to foster education and awareness and disseminate information about the creation of self-directed housing for individuals with autism and other developmental disabilities; to promote and support the formation and maintenance of such housing; and to assist families in creating self-directed housing for their adult children that supports their residential, recreational and community needs.

[College Internship Program](#) – Provides individualized, post-secondary, academic, internship and independent living experiences for young adults with learning differences and Asperger's syndrome.

[Forward Motion Coaching](#) - Career development coaching for adults with Asperger's Syndrome so that they can find and keep meaningful work. Classes and workshops also offered.

[Independent Living on the Autistic Spectrum](#) - An online support group (newsgroups, mailing lists, etc) for people with Autism or related conditions, including but not limited to Asperger Syndrome. Members from all over the world come together here to make friends, support each other, and share practical experiences and tips relevant to independent living with our condition.

[New England Business Associates](#) - A nonprofit agency committed to enhancing the quality of life for individuals with disabilities through employment, post secondary education and community inclusion. Established in 1983, NEBA has been providing individualized supported employment services to people once considered “unemployable due to the type and level of their disability. NEBA provides regular/private sector jobs, with support to individuals and their employer to ensure a mutually satisfying and successful relationship.

[Options for Adults with Autism](#) – A group creating an integrated and inter-generational community where individuals with intellectual challenges and non-disabled can live and work together on a farmstead.

[SingleWithAutism.com](#) – A new social web site exclusively for adults with autism. Besides the standard social networking features, SingleWithAutism.com will offer web cast classes and video conferencing special topic focus groups and general social chats.

[Specialized Housing, Inc.](#) - Since 1983, Specialized Housing, Inc. has created supportive housing opportunities for adults with disabilities in condominiums and apartments in the greater Boston area and other locations in New England and in the United States. The mission of Specialized Housing is to promote independence through home ownership, work, an active social life and community connections, a community of friends for learning, fun, and growth, and most important, an antidote to the loneliness that adults with disabilities often experience.
