The Occupational Therapy department at Cooley Dickinson Hospital features a talented and experienced team of 14 occupational therapists. The OT department services patients at the hospital in Northampton, MA, as well as at the CDH Amherst clinic. Our diverse staff also treats young patients in the school systems and in Early Intervention centers in the Pioneer Valley.

At CDH we have a diverse OT team. Many of our professionals have received specialty training in a variety of areas. We have certified hand therapists as well as two therapists who are certified in administering the Sensory Integration Praxis Test (SIPT evaluations). In addition, we have therapists specialized in wheelchair evaluations and in Early Intervention.
