

ANNOUNCEMENT TO FAMILIES OF YOUNG CHILDREN WITH AUTISM

An Important Message to Massachusetts Families with Children under Age 9 Diagnosed with an Autism Spectrum Disorder

The family outreach process for the Renewal Autism Waiver Program will start in a few weeks.

There is nothing for families to do at this time.

Please stay in touch with your local Autism Support Center or visit www.mass.gov/dds under the tab 'Autism Services' for the latest information.

Shortly, DDS and the Autism Support Centers will post a Family Overview of the Renewal Waiver on the organizations' websites and both will have hard copies available for mailing to interested families.

Please contact your local Autism Support Center or the Autism Division if you have any questions.
